**Technical Amendments**

**AGENCY:** National Credit Union Administration (NCUA).

**ACTION:** Final rule and final rule; correction.

**SUMMARY:** The NCUA Board (Board) is issuing a final rule to make technical amendments to various provisions of the NCUA’s regulations. These amendments correct minor technical problems and improve clarity.

**DATES:** The final rule is effective on October 2, 2020, except for the corrections to the final rule amending 12 CFR part 702, published at 80 FR 66626, which was delayed on November 6, 2018 (83 FR 55467) and December 17, 2019 (84 FR 68781), which are effective on January 1, 2022.

**SUPPLEMENTARY INFORMATION:****I. Background**

The Board periodically issues a technical amendments rule correcting minor typographical errors, inaccurate legal citations, or superfluous or outdated regulatory provisions throughout the NCUA’s regulations. Because these changes are technical in nature, and do not affect federally insured credit unions in a substantive manner, the Board issues these technical amendments rules as final rules without notice and comment typically required by the Administrative Procedure Act (APA).<sup>1</sup> Accordingly, the Board is issuing this final rule to address those matters.

**II. Legal Authority**

The Board has the legal authority to issue this final rule pursuant to its plenary rulemaking authority under the Federal Credit Union Act (FCU Act)<sup>2</sup> and its specific rulemaking authority under the various acts the Board administers.

**III. Section-by-Section Analysis***General Wording, Style, and Cross-Reference Changes*

The final rule makes general wording, style, and cross-reference changes throughout the NCUA’s regulations. For example, the final rule corrects various typographical errors. Technical amendments of this nature will apply throughout the NCUA’s regulations. Therefore, the preamble does not address these types of stylistic changes in the section-by-section analysis below.

<sup>1</sup> 5 U.S.C. 553(b)(A), (B).

<sup>2</sup> 12 U.S.C. 1766, 1789.

Parts 700, 701, 702, 704, 705, 707, 708a, 708b, 709, 717, 725, 740, 741, 747, 748, and 750

The final rule amends one of the definitions listed in § 700.2 of the NCUA's regulations that was erroneously changed. The definitions in part 700 apply throughout chapter VII of title 12 of the Code of Federal Regulations "unless the context indicates otherwise."<sup>3</sup> A "Noninsured credit union" is currently defined by regulation as "a credit union chartered under the laws of any State, the District of Columbia, the several territories and possessions of the United States, the Panama Canal Zone, or the Commonwealth of Puerto Rico, whose member accounts are not insured by NCUA." This term mirrors the Federal Credit Union Act definition.<sup>4</sup> A final technical amendments rule issued in 2018 amended several references to "Non-federally insured credit unions" changing them to "Noninsured credit unions." Although this change conformed the regulatory definition to the statutory definition, it also inadvertently created internal inconsistencies in the regulations and created unintended confusion and consequences. The Board has determined that the erroneous technical amendment issued in 2018 needs to be reversed to correct the inadvertent regulatory inconsistencies. This will restore clarity that the term "Non-federally insured credit unions," consistent with the Federal Credit Union Act, includes credit unions whose member accounts are insured by agencies or entities other than the NCUA, such as state or private share insurers, as well as credit unions whose member accounts are not insured by any party. Accordingly, the final rule makes this change in § 700.2 and in other parts where the term "Noninsured credit union" currently appears—parts 704, 705, 708b, and 740.

*Section 701.34 Designation of Low Income Status; Acceptance of Secondary Capital Accounts by Low-Income Designated Credit Unions*

Section 701.34(a)(6) provides the definition of "median family income" and "total median earnings for individuals" by referring to data from the Census Bureau. The current definition points to the Census Bureau's American FactFinder site with a specific hyperlink. The Census Bureau no longer houses this data at that specific site. Accordingly, this final rule replaces the

"FactFinder" reference with "American Community Survey" and provides a more general link to the Census Bureau's website. This change is not intended to alter the reliance on Census Bureau data for these statistics.

*Appendix B to Part 701—Chartering and Field of Membership Manual*

The final rule amends certain provisions to update the NCUA office responsible for a certain activity. For instance, the Office of Credit Union Resources and Expansion (CURE) has replaced the Regional Office as the responsible office at Chapter 1, Section III. The final rule also updates references to the Regional Offices to reflect the agency's realignment that was finalized in 2019, as well as an update to the name of one of the credit union trade associations noted in the Chartering Manual.

*Part 702—Capital Adequacy*

In addition to typographical corrections, the final rule includes corrections to the amendatory instructions from the 2015 final rule on risk-based capital<sup>5</sup> to ensure that cross-references to other provisions that the Board has since been amended will be correctly reflected in this part when the 2015 final rule goes into effect, as it is scheduled to do on January 1, 2022.<sup>6</sup> These corrections do not make any substantive change to the 2015 final rule.

*Part 704—Corporate Credit Union*

Throughout part 704, corporate credit unions are frequently referred to as "corporates." The final rule amends several sections in this part to replace "corporate" or "corporates" with "corporate credit union" or "corporate credit unions" to avoid confusion and to be more precise.

In addition, a reference to "notational principal balance" has been corrected to "notional principal balance."

*Part 707—Truth in Savings*

This final rule makes a notable change relating to the model clauses and forms in appendix B to this part, which addresses Truth in Savings. Specifically, appendix B refers several times to a chart of accounts in a specific section of the NCUA's Accounting Manual for Federal Credit Unions. This publication no longer contains this chart of accounts, but this chart served as the model for the sample forms. Accordingly, the final rule adds a statement to this effect in the prefatory

language to this appendix to avoid confusion for those referring to the current version of the Accounting Manual.

In addition, the final rule redesignates several paragraphs in appendix C to this part to correct duplicate paragraph numbering that resulted from prior amendments. This change does not affect or add to the substance of these provisions. The final rule will also correct minor wording or typographical errors.

*Part 708a—Bank Conversions and Mergers*

Section 708a.304 addresses the notice that a credit union must file with the NCUA within 30 days of its board adopting a proposal to merge. This provision refers to an asset threshold set by the Federal Trade Commission (FTC) under the Hart-Scott Rodino Act that triggers a premerger notification to the FTC. The threshold amount listed in the current regulation is outdated. Because the FTC will continue to update this threshold, removing the specific dollar amount from this regulation will help to avoid confusion or alternatively, the need for the NCUA to update its regulation each time the FTC updates the threshold. Credit unions should refer to the FTC's announcements of the threshold amounts on that agency's website and in the **Federal Register**.

*Part 747—Administrative Actions, Adjudicative Hearings, Rules of Practice and Procedure, and Investigations*

The final rule makes two notable clarifications and updates to this part. In § 747.0, which sets forth the scope of this part, the final rule adds a defined term for the Uniform Rules when that subject is first discussed in order to provide clarity. In § 747.207, which addresses notices of termination of insured status, the final rule updates a reference to the standard maximum share insurance amount from \$100,000 to \$250,000 to reflect the statutory change that Congress enacted in 2010.<sup>7</sup>

## IV. Regulatory Procedures

### *Administrative Procedure Act*

Generally, the APA requires a Federal agency to provide the public with notice and an opportunity to comment on agency rulemakings.<sup>8</sup> The APA, however, creates an exception in cases where an agency for good cause determines "that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public

<sup>4</sup> 12 U.S.C. 1752(7).

<sup>5</sup> 80 FR 66626 (Oct. 29, 2015).

<sup>6</sup> See 84 FR 68781 (Dec. 17, 2019).

<sup>7</sup> Public Law 111–203, sec. 335(b).

<sup>8</sup> 5 U.S.C. 553(b).

interest.”<sup>9</sup> Because all of the changes in this final rule involve only minor, technical amendments to the NCUA’s existing regulations, the Board has determined that notice and comment would be unnecessary and contrary to the public interest.

Furthermore, the APA generally provides that a final rule may not become effective until at least 30 days after its publication in the **Federal Register** unless the agency determines that good cause exists to dispense with this requirement.<sup>10</sup> As noted above, given that the rule does not impose new requirements on federally insured credit unions and only involves minor, technical amendments to existing regulations, the Board finds sufficient good cause exists to dispense with the 30-day effective date requirement. The rule will, therefore, be effective immediately upon publication.

#### *Regulatory Flexibility Act*

The Regulatory Flexibility Act requires the NCUA to prepare an analysis of any significant economic impact a regulation may have on a substantial number of small entities (primarily those under \$100 million in assets).<sup>11</sup> As discussed previously, consistent with the APA,<sup>12</sup> the Board has determined for good cause that general notice and opportunity for public comment is unnecessary, and therefore the Board is not issuing a notice of proposed rulemaking. Rules that are exempt from notice and comment procedures are also exempt from the RFA requirements, including conducting a regulatory flexibility analysis, when among other things the agency for good cause finds that notice and public procedure are impracticable, unnecessary, or contrary to the public interest. Accordingly, the Board has concluded that the RFA’s requirements relating to initial and final regulatory flexibility analysis do not apply.

#### *Paperwork Reduction Act*

The Paperwork Reduction Act of 1995 (PRA) applies to rulemakings in which an agency by rule creates a new paperwork burden on regulated entities or increases an existing burden.<sup>13</sup> For purposes of the PRA, a paperwork

burden may take the form of a reporting or recordkeeping requirement, both referred to as information collections. As the final rule makes only minor, technical amendments to the NCUA’s existing regulations, the NCUA has determined it does not increase paperwork requirements under the PRA.

#### *Small Business Regulatory Enforcement Fairness Act*

The Small Business Regulatory Enforcement Fairness Act of 1996 (SBREFA) provides generally for congressional review of agency rules.<sup>14</sup> A reporting requirement is triggered in instances where the NCUA issues a “final rule” as defined by statute.<sup>15</sup> As required by SBREFA, the NCUA will submit this rule to the Office of Management and Budget for it to determine if the final rule is a “major rule” for purposes of SBREFA. The NCUA does not believe the rule is major.

#### *Assessment of Federal Regulations and Policies on Families*

The NCUA has determined that this rule will not affect family well-being within the meaning of section 654 of the Treasury and General Government Appropriations Act.<sup>16</sup>

#### *Executive Order 13132*

Executive Order 13132 encourages independent regulatory agencies to consider the impact of their actions on state and local interests.<sup>17</sup> The NCUA, an independent regulatory agency as defined in 44 U.S.C. 3502(5), voluntarily complies with the executive order to adhere to fundamental federalism principles. The final rule does not have substantial direct effects on the states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government. The NCUA has therefore determined that this final rule does not constitute a policy that has federalism implications for purposes of the Executive order.
